

**Simplified information on the processing of patient personal data in the context of the
epidemiological emergency COVID-19 (Coronavirus)**

**(art. 13 EU Reg. 679/2016 - Legislative Decree 9 March 2020, n. 14 "Urgent provisions for the
strengthening of the national health service in relation to the COVID-19 emergency")**

Purposes of data processing by health facilities

Exclusively to ensure protection from the health emergency caused by the spread of COVID-19.

Lawfulness of processing

The treatment is legitimized for reasons of public interest

in the public health sector, in particular the protection from serious cross-border threats to health.

It is specified that the processing of data, limited to the period of health emergency, can also be carried out by subjects who are authorized verbally.

Personal data disclosure

Personal data may be:

- communicated to other health facilities, public or private, or to other public or private subjects;
- transmitted (with the exception of particular or judicial ones) exclusively in cases where it is indispensable for carrying out the activities related to the management of the current health emergency.

Storage time of personal data

Personal data will be kept for the time necessary to pursue the purposes for which they were processed, without prejudice to the longer time necessary to fulfill legal obligations due to the nature of the data or document, for reasons of public interest or for the exercise of public authority.

At the end of the state of emergency, the Data Controller will take all appropriate measures to bring the processing of personal data carried out in the context of the emergency, within the scope of ordinary competences and rules governing the processing of personal data.

Rights of the interested party - patient

Regarding personal data you have provided in the context of the epidemiological emergency of COVID-19, you have the right to obtain

- access
- correction
- integration.

In the cases established by law, you can ask for the limitation of data processing and can exercise opposition to data processing. For further information, see articles 15-22 of EU Reg. 679/2016. You can exercise your rights by writing to the email address and / or PEC of the DPO.

Complaint submission

If you believe that your rights have been violated, you have the right to lodge a complaint to the Guarantor Authority for the protection of personal data through the method indicated on the website www.garanteprivacy.it.
